St Mary's	1	
Devonshire House	1	

n.b

City of London Girl's School moved its entrance examination to last November with offers made in December and held until the other school's results came out. As a result of this 4 of the 8 girls we had this year who wanted City were successful and did not therefore sit for the other schools in January. The remaining 4 girls achieved 2 offers each and overall 7 of the 8 candidates achieved their 1st choice of school.
